

*Hello, my name is Chris*

I'm a Green Badge guide, qualified as a regional specialist for both Orkney and the North Highlands of Scotland by the Scottish Tourist Guide Association.

Living in Orkney for over 40 years, I'm ideally placed to offer you tours of our beautiful and historic islands. I use my own fully licensed car, which comfortably seats four adults and two children.

During your tour I'll regale you with tales and anecdotes from the islands, giving you an insight into Orkney's history and culture. You'll see our stunning landscape and wildlife along the way and we may also sample the local cuisine!

I'm happy to join you in your own car or coach if that's your preference.

*Let me share my love of the islands with you.*

*Chris Matthews*
